Jump into summer feet first with this non-stop joyride of fun!

July 5-8 SUPER HEROES AND NINJA WARRIORS

*closed Monday July 4th

Help save the world as we train to be superheroes or ninja warriors or even super ninja hero warriors!

Aug 1-5 DISNEY DAYS: DRESS UP AND PLAY

Whether you're an Elsa, Buzz or even Bruno (we CAN talk about Bruno!) come dressed as your favorite character and let your imagination run wild!

June 6-10 WILD THINGS

Lions, tigers, and bears, oh my! We're taking a trip to the wild side and learning all about the fierce and mighty animals of the world!

July 5-8 KIDS BAKING CHAMPIONSHIP

*closed Monday July 4th

You know the Food Network show, and now you're the star! Join Duff and Valerie... wait, maybe just Miss Liz, and learn how to bake and decorate delicious sweet treats all week long!

Aug 18, 19, 22 COMEBACK KIDS

Let's get back into the swing of things, shall we? This week we will begin remembering what it's like to have a routine, meet your teachers, and take the first steps towards home. *For WCDS students only - campers will be cohort in their upcoming classes and cohorts*

June 6-10 CHEERNASTICS

"Give me a C!"
"C!"
"Give me an H!"
"H!" Find out what comes next in this flipping good camp!

July 11-15 COLOR ME BEAUTIFUL

There is no beauty without color! Campers will explore all things color using art, music, movement, stories, and so much more. Get ready to express yourself because colors speak louder than words!

June 13-17 COME RIDE WITH US

Join the WCDS "bus" as we embark on scientific journeys around our campus. Come explore everything from space to explosions to creek life.

July 11-15 FIVE SENSES EXPLORATION

Using taste, touch, sound, sight and feel campers discover the world around them just like real scientists!

July 14, 21, 28, Aug 4

WE TWO Play is a toddler's work, a vehicle for social, emotional, and cognitive development. We Two offers children opportunities to understand their world, interact with others, and explore their natural curiosity. The parents/caregivers provide security and support while the children experience music and movement, story time, crafts, and open-ended play throughout the program. The class is limited and a parent or caregiver must accompany each child. Instructors:

Miss Stephanie Skadra & Miss Claire Norman

Requirements: Must have completed at least one session of We two or be two-years old before start date. Parent or caregiver participates in each session with the child. \$110 for 4-week session. 10:00am-11:15am.

June 13-17 EDIBLE EXPERIMENTS

Bill Nye meets Julia Child! Campers will discover fun and exciting ways to create food and learn what happens when you combine certain foods!

July 18-22 YOU'RE INVITED

Every day is a party! You're invited to create and play in big ways you never thought possible!

June 20-24 YOU'RE A STAR

Calling all little actors! It's time to take to the stage and screen in the summer camp devoted to storytelling and dramatic play. Get ready to dress up, make movies and more. Are you ready for your close up?

July 18-22 WATER WIZARDS

Calling all water enthusiasts! Become an Aqua Kid! Join us for some water fun. We will dive into some cool water science experiments, create a splash of art with a variety of water-related games and activities and much more!

June 20-24 ALPHABET BOOT CAMP

Who says the alphabet has to just be on a piece of paper? Our little campers will explore the alphabet through movement, painting, scavenger hunts. The possibilities are endless!

July 25-29 RIP, FOLD, CUT, CRUMPLE

Explore art from the paper's perspective. Using a wide range of techniques and tricks, you'll create things with paper you never thought possible!

SUMMER AT THE CML

'Summer Slide' is always a concern as students step away from their classroom routines. This year, for obvious reasons, the learning loss has become profound, particularly for those students with learning differences. Stop the slide and set your child up for success by spending time at our proven Center for Multisensory Learning.

Programs include:

Four Week Intensive Reading Program for Struggling Learners

One-on-One Orton-Gillingham Trained Tutoring

Scholarship Opportunities Available
