Lower Camps- Entering Junior Kindergarten (4 yr olds)-2nd Grade

June 2nd-6th	<p>Barbie World: Discover endless fun and imagination at Barbie World Summer Camp! Enjoy exciting activities inspired by Barbie's adventures, from designing dream outfits to exploring new careers and making new friends. Let your creativity shine and create unforgettable summer memories in Barbie's vibrant world!</p>	<p>Nature Explorers Camp: Let's gear up to explore the outdoors! What will we see? Look up to the clouds! Where will we go? Bend down to the ground! Come and discover things above and things below!</p>
June 9th-13th	<p>World of Dinosaurs: Get ready to travel back to an era when massive, mysterious creatures roamed the Earth! Are you brave enough to dig like a paleontologist, race against time in dino challenges, and create your own world?</p>	<p>Disney: A trip to the most magical place on earth, and we don't even have to leave WCDS. We will visit theme parks, transform into your favorite princesses and superheroes, and watch the most beautiful fireworks.</p>
June 16th-20th	<p>Camping: Your little ones will love learning the basic skills of setting up a campsite, fun outdoor activities, and, most of all, making s'mores!</p>	<p>Treat Yourself-Spa Days: Calling all girls and boys who like to treat themselves! This camp is all things self-care and self-love. Get ready to pamper yourself at the spa and so much more!</p>
June 23-27th	<p>Multi-Sports Camp: Join our Little Kids Multi-Sports Summer Camp for a week of fun and active play! Designed for young beginners, kids can try different sports, like soccer and basketball, in a supportive environment. It's the perfect way to explore new games and make friends!</p>	<p>Girl Power: Empower your child with confidence and creativity! This camp uses fun activities and crafts to inspire friendship, self-expression, and self-belief. It's the perfect place for young girls to shine!</p>
June 30th-July 3	<p>Stack It Up-The Building Challenge: Join us for building towers, bridges, and entire worlds using everything from Legos to wooden blocks, all while exploring their inner engineer and working together on exciting challenges.</p>	<p>Five Senses: Using taste, touch, sound, sight, and feel, campers discover the world around them just like real scientists!</p>
July 7th-11th	<p>You're Invited: Every day is a party! You're invited to create and play in big ways you never thought possible!</p>	<p>Lil' Creek Week: Our most popular camp is also available for the little ones! Explore the campus creek and discover all the fun things living beneath the surface while having a splashing good time!</p>
July 14th-18th	<p>Superhero and Ninja Warriors: Help save the world as we train to be superheroes, ninja warriors, or even super ninja hero warriors!</p>	<p>Not A Box: It's a spaceship, no, it's a cat, but maybe it's a castle! Whatever it may be, it is anything but a box. This week, let cardboard and other recyclable materials transport your imagination to a magical place!</p>
July 21-25th	<p>Little Hands, Big Art: Painting on paper is a thing of the past. In this camp, you'll create a variety of giant surfaces you never thought possible. Get ready to paint, build, splatter and splash!</p>	<p>Little Treasure Hunters: Hoist the mainsail, Dr. Davey Jones. Young pirate scientists must decipher clues and conduct experiments to find the treasure!</p>
July 28th-Aug 1st	<p>Water Wizards: Calling all water enthusiasts! Become an Aqua Kid! Join us for some water fun. We will dive into some cool water science experiments to create a splash of art with various water-related games and activities. Hurry and take the plunge with us!</p>	<p>Animals: Lions, tigers, and bears, oh my! We're taking a trip to the wild side to learn all about the fierce and mighty animals of the world.</p>

WCDS PLAYgroups

Our WCDS PLAYgroups offer children ages 1 to 3 years the opportunity to understand their world, interact with others, and explore their natural curiosities. The parents/caregivers provide security and support while the children experience music and movement, story time, and open-ended play in a hands-on and nurturing environment. Playgroups meet every Friday for 6 weeks.

Little Explorers

Education is the right of all children, no matter their age. Children will have the opportunity to socially engage with other children of similar age and further develop their cognitive skills.

Little Explorers is recommended for children currently 1-2 years old. A parent/caregiver participates in each session with the child.

We Two

We Two offers children opportunities to understand their world, interact with others, and explore their natural curiosity.

We Two is recommended for children currently 2-3 years old. A parent/caregiver participates in each session with the child.
